

# THANKS FOR THE BLESSINGS!

Most of you have seen or heard the slogan “If you can read this, thank a teacher.” A take-off on this statement might be “If you have a deeper walk with Christ, thank an Adult group leader/facilitator!”

Asbury is blessed with many capable, talented leaders who have given tirelessly over the years to help others in their walk with Christ. Those of you who have participated in a group can certainly attest to that!

Traditionally, May is the month that teachers/leaders/facilitators have been recognized for their outstanding service, so it is with great thankfulness and gratefulness that the Adult Ministry Team recognizes the following Adult Leaders/Facilitators:
